MEMORANDUM FOR U.S. Army Garrison-Detroit Assigned, Attached and Supported Personnel

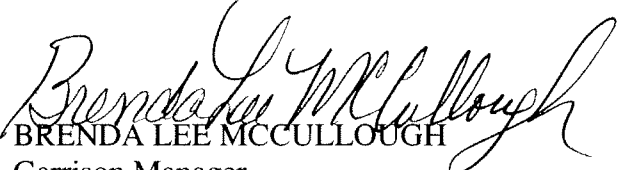

SUBJECT: Policy Memorandum #19, Garrison Ammunition Amnesty Program

1. REFERENCE. IMCOM Regulation 5-13, Dtd 07 February 2008.
2. PURPOSE. The purpose of this policy is to prevent wrongful disposal of ammunition, pyrotechnics and other residue in unauthorized areas, such as office buildings, parking lots, trash containers, etc.
3. APPLICABILITY. This procedure applies to all personnel assigned, attached, or supported by the Detroit Arsenal who have ammunition or ammunition residue requiring turn in outside of the normal supply system.
4. POLICY. All ammunition found by or in the possession of personnel, for reasons other than authorized training events, will be turned in through the Ammunition Amnesty Program with **NO QUESTIONS ASKED**. The Ammunition Supply Point (ASP) Manager will manage the Amnesty Program.
5. PROCEDURES. The Garrison Amnesty Program is necessary to ensure maximum recovery of munitions, explosives and valuable ammunition residue items through the following procedures:
 - a. Leadership will not hinder or investigate those utilizing the amnesty box.
 - b. The amnesty box is located outside the Arms Room in Bldg 203 for the Detroit Arsenal and at Gate #6 for the LIMA Facility.
 - c. Armorers or designated authorized personnel will check the amnesty box periodically and store all amnesty ammunition in the arms room or in properly secured containers to prevent tampering or theft until it can be turned in to the Ammunition Supply Point (ASP).
 - d. Any ammunition not authorized by Army regulations to be stored in the unit arms room, will be taken to the ASP.
 - e. Violations of this policy may result in either administrative and/or non-judicial punishment as deemed appropriate by the violator's chain of command.
